Indulge in the renowned flavors of Kerala at Vembanad, the multi-award-winning seafood restaurant located at Kumarakom Lake Resort, Coorg Wellness Resort & Spa, and The Paul Bangalore. Steeped in luxurious heritage, it promises a truly unforgettable dining experience. Treat yourself to an exotic culinary journey, where every dish is a celebration of Kerala's rich culinary traditions.

Bespeaking the delicacies it serves, the Ettukettu resides in heritage splendor and offers excellent repast with a taste of the past. Built under the commission of King Marthanda Varma and gifted to his martial arts tutor and maestro, Edamana Kellamthat Gurukkal, this impressive abode is a fine example of the palatial 8-sided homesteads or Ettukettus, unique to Kerala. Dismantled from its original location and reassembled in all its glory at the resort, the Ettukettu, under the aegis of a fine team of chefs, serves delicious multi-cuisine fare and is as dedicated to culinary arts as it once was to martial arts.

Murphy's Brewhouse, the first Irish microbrewery in Bangalore is one of the finest hangouts, serving the best Irish stout beer in Bangalore.

Nestled at the hotel's atrium, The Sidewalk Café & Bar serves a sumptuous international breakfast buffet spread. Cozy and cool, with an ala carte of choice delicacies of various popular cuisines including Italian, American and Pan Asian, the Sidewalk Café invites you to relax and watch as the world goes by.

JETTY

RESTAURANT

The Jetty restaurant at Forte Kochi, serves cuisines reflecting the various cultures that have influenced Kochi. Authentic local Kerala flavours, pan-Indian, pan-European, British favourites, and a signature lineup of sea food delicacies, are some of the many choices on the menu. The hotel is within strolling distance of the sea, the beach and many historical buildings – including the Santa Cruz Basilica, St Francis Church, Vasco Da Gama Square etc as well as antique shops, Jew street and many more attractions.

An all-day dining restaurant where you can relish delicacies from across continents, while you enjoy the unhindered view of green valleys and cloud-kissed hills. Relish our widespread breakfast buffet as you watch our chefs in action at the live kitchen.

Enjoy a drink or two and relax as the exuberant ambience of Coorg and the resort surrounds you.

Dance the night away in our bar as the wilderness calls out to you and the ebullient mood engulfs you.

At Paul John Caffeine, coffee isn't just a beverage—it's an experience crafted from the finest Indian coffee beans. We carefully curate each blend to cater to every taste, mood, and occasion, ensuring every sip is a memorable journey. From the lush foothills of Coorg and the surrounding areas of Karnataka, our South Indian filter coffee is grown with precision, designed to satisfy your palate and nourish your soul.

Why Paul John Resorts & Hotels is Uniquely Positioned to Manage Your Property?

At Paul John Resorts & Hotels, we bring the perspective of both owners and operators, having successfully developed and managed a prestigious portfolio of high-performing hospitality assets. This dual role equips us with a comprehensive understanding of both the investment and operational imperatives of running a successful hotel or resort.

Owner-Operator Experience

Strategic Expansion with Proven Expertise

- Deep operational insights from owning and managing award-winning luxury resorts
 - In-house capabilities in operations, sales, marketing, finance, and design
 - Strong network of travel partners, corporate clients, and channel alliances
 - Track record of delivering profitability and guest satisfaction
 - Expertise in transforming properties into premium destinations
 - Scalable systems for replicable success across multiple locations

1. Proven Track Record as Owner-Operators

- We own and operate all our properties, giving us firsthand insight into asset management, operational efficiency, and guest satisfaction.
- Our experience enables us to proactively address challenges that may not be obvious to purely management-focused brands.

2. Comprehensive Development & Operational Expertise

- We offer end-to-end guidance on all aspects of hotel development: from design advisory, space planning, and technical support to branding and positioning.
- With robust Standard Operating Procedures (SOPs) and a deep knowledge base, we ensure seamless day-to-day operations that drive profitability and guest delight.

3. Pre-Opening & Ramp-Up Support

- Our dedicated pre-opening team includes corporate, regional, and on-site specialists who collaborate closely to:
- Recruit and train staff
- Finalize operating systems
- Build local supplier and vendor networks
- Set up branding and marketing initiatives ahead of launch

4. Operational Efficiency & Guest Experience

- Our processes are designed to maximize operational efficiency while enhancing the guest experience—two key metrics that define success in hospitality.
- We use data-driven performance monitoring to drive service consistency and revenue optimization.

5. Brand Equity & Marketing Reach

- Our portfolio enjoys strong brand recognition and loyalty, especially in the premium and luxury segments.
- Through targeted marketing, PR partnerships, and digital strategies, we ensure visibility and positioning aligned with the property's unique character and market.

6. Alignment of Interests

- As owners ourselves, we understand the importance of ROI, cost control, and asset preservation.
- This translates into a management approach that is both empathetic to ownership priorities and focused on long-term asset value.
